UTS Northern Suburbs Athletic Club Track & Field Records as at March 31, 2020

Every endeavour is made to accurately update the Club Records each year from available results. Please accept our apologies if any have been missed. Please contact the Records Officer with details of any records broken. If any members can assist with dates, venues, wind readings of records, first names and ages of athletes, currently listed please also contact the Records Officer via info@utsnorthsath.com.au.

Notes - Age as at 31 December except masters which is age on the day. # Indicates record this season. Records in italics are updated from the last published list and were set in previous years but information has only just been located to verify the record. WR = World Record, NR = National Record, SR = State Record (at the time of the performance). Ind = Indoor performance. Events and age groups recognised are those recognised by Athletics Australia, Athletics NSW and the Masters governing bodies at the times the records were set. Under 23 age group is for athletes aged 20, 21, 22. Where specifications have changed, eg to a lower hurdle height or lighter implement, the record stands until an athlete beats the performance with the new specifications.
